

NNii Articles Reprint Rates

I4PH offers high-quality reprints for articles from the Web site of the [National Network for Immunization Information \(NNii\)](#).

Electronic Format

For \$20 per article (or 3 articles for \$55), you can purchase an electronic version of articles in PDF format to print on your own printer.

This is a great option for health professionals who want to hand out vaccine-related information to their patients.

High-Quality Print Format

You can also purchase large quantities (100 minimum) of articles to distribute to your audience. The reprints are printed in white matte 80# stock paper. We also offer tear pads (100 pages printed on white 20# bond paper). See rates below.

	1-2-page articles	4 pages
White matte 80#*	\$40/100 copies	\$75/100 copies
	\$75/500 copies	\$250/500 copies
Tear pads (100 pages on white bond 20#)*		
	\$15/pad	\$30/article (requires 2 tear pads for each article)
	\$125/10 pads
