IMMUNIZATIONS FOR PUBLIC HEALTH

The National Network for Immunization Information (NNii) is a service from Immunizations for Public Health (I4PH), a Texas-based nonprofit corporation dedicated to provide immunization information to those who need it.

Contribute to NNii

YES, I want to support the effort to provide evidence-based immunization information. Enclosed is my gift of \$ _____.

Make all checks payable to **I4PH**, the tax-exempt nonprofit corporation that manages NNii. Please send this form along with your contribution to:

I4PH
301 University Blvd.
CH 2.218
Galveston, TX 77555-0351

For more information call (409) 772-0199. Thank you for your contribution!
